| | Directors Overviews | |
| | Leeds | Prof Pete Olmsted |
| | Durham | Dr Lian Hutchings |
| | Bradford | Prof Phil Coates |
| | Sheffield | Liam Sutton |
| 10.25 | Polymerisation-induced self-assembly
<i>Prof Steve Armes, Sheffield University</i> | |
| 10.45 | Thermoplastic-Matrix Composites – Materials of the Future or Materials of the Past?
<i>Dr Alan Wood (Composites Technical Leader, Victrex Ltd)</i> | |
| 11.05 | Probing Rheological Behaviour of Ultra-high Molecular Weight Polyethylene
<i>Dr David Hoyle, Durham University</i> | |
| 11.25 | Amine and carboxylic acid functional coatings for tissue engineering
<i>Prof Steve Rimmer, Sheffield University</i> | |
| 11.45 | Process structuring of Pharmaceuticals
<i>Prof Anant Paradkar, Bradford University</i> | |
| 12.05 | Discussion | |
| 12.15 | Lunch | |
| Chair: | Dr Lian Hutchings | |
| 13.15 | Multiscale Modelling of Structural, Dynamical and Rheological Properties of Polymer Solutions and Melts
<i>Dr Dr. Zuowei Wang, Reading University</i> | |
| 13.35 | Dynamic light scattering on gel-forming polymer solutions
<i>Dr Johan Mattsson, Leeds University</i> | |
| 13.55 | Programmes awareness:
Nanofactory
METRC | Sean Kelly
Ana MacIntosh, Business Development Manager |
| 14.30 | Discussion & News | |
